ADDITIONAL EXPERIENCE:

SUMOS | online documentary

Collaborating with fellow composer Sarah Warne, I wrote additional music to Catherine Hyland's documentary about Mongolian sumo wrestling, available [here](#).

AUDIOBOOK COLLABORATION | deborah lurie

I had the opportunity to work with L.A. based composer Deborah Lurie on her score for an upcoming audiobook. This primarily involved orchestrating and adding my own compositional layers to her piece.

SCORE EDITOR | stevie wishart

I have assisted Classical composer Stevie Wishart on a number of her scores. This involved amending areas of the scores such as presentation and compositional errors so that they were ready for the orchestra to perform.

KURDISTAN STORY | documentary

I wrote some of the music to Chris Hale's award winning documentary, Kurdistan Story. The documentary has won awards at the Hollywood International Independent Documentary Awards and at the World Documentary Awards.

MEDIEVIL: HERO OF GALLOWMERE | skyrim game mod

I scored a number of scenes in Marek Adamski's Skyrim mod, MediEvil: Hero of Gallowmere.

LISTEN TO ME | short film

I composed the music to director Rob Ayling's short film, Listen To Me. The film has been screened at numerous film festivals including the BAFTA recognised Aesthetica Short Film Festival.

ABUSING PROTOCOL | feature film

Directed by Game of Thrones actor Darren Kent and premiered at Southend Film Festival in May 2015.

LTBL PRODUCTIONS | promotional videos

I have worked with LTBL Productions, providing music for their promotional videos.

THE ELEMENTS MUSIC | advert pitches

I regularly work on briefs for commercials on behalf of The Elements Music including: Google, Cesar and Kellogg's.

TREVOR RABIN ORCHESTRATOR | charity feature film

I orchestrated some music on behalf of Trevor Rabin for a charity film.

- part-time work -

PRODUCTION ASSISTANT | london sync music 2018-

From curating metadata to marketing sales, I am a key contributor to London Sync's continuing growth in both library and bespoke music.

MUSIC METADATA CREATOR | evolution media music 2018-

I provide metadata information for library music albums at Evolution Media Music, including areas such as: track description, instrumentation, tempo, key, genre, etc.

MATHS & ENGLISH TUTOR | explore learning 2017-2019

Explore Learning is a leading provider of after-school tuition for 5-14 year olds across the UK. There are over 120 Explore Learning centres in the UK, and over 30,000 children attend every week.
